Information Sought (जानकारी मांगी) :	To: Central Public Information Officer Indian Oil Corporation Limited Registered Office: F/GM (Planning & Coordination), Head Office, Indian Oil Bhavan, G-9, Ali Yavar Jung Marg, Bandra (East), Mumbai - 400051 Date: 11th August, 2026 Sub: Right to Information (RTI) Act, 2005 - Request for XP100 Outlet Locations Dear Sir/Madam, I am seeking the following information under the RTI Act, 2005: 1. A complete and current list of all IOCL XP100 (E0 petrol) retail outlets across India, including: - Outlet name - Full street address (street name, city, district, state, PIN) - Latitude/longitude coordinates (if available) - Contact phone number (if available) - Opening/closing hours (if available) 2. Official written confirmation that IOCL XP100 petrol contains 0% ethanol (E0 grade)		

as per ASTM D4815 or equivalent specification.

3. Date of XP100 launch and current availability across all states/regions.

I am requesting this information to create a public-facing directory to help vehicle owners locate ethanol-free fuel options nationwide. I have tried use the locator page on the IOCL website, but it seems to slightly out-of-date, or a lot of the listed outlets do not usually have XP100 available when customers go there.

I would really appreciate your help with this information.

Thanks & Regards,
